2. MANDATORY PRE-CLOSING CONDITIONS PRECEDENT (CP) CHECKLIST

The following third-party consents and waivers must be obtained prior to closing to prevent contract breach or transaction blockers:

ID	CONTRACT & PARTIES	REQUIRED PRE-CLOSING ACTION	RISK IF UNOBTAINED
CP-1	**MASTER SERVICES AGREEMENT** *Acme Global Industries Inc. / Target Technologies Corp*	MANDATORY: (1) Include as a closing Condition Precedent (CP) to obtain written counterparty consent; (2) List on Seller Disclosure Schedule 3.4 (Consents & Approvals); (3) Formulate pre-signing outreach strategy.	CRITICAL CLOSING BLOCKER: Transaction explicitly triggers Change of Control consent. Counterparty holds sole discretion to withhold consent and retains unilateral termination rights or clawback remedies upon closing without prior consent.
CP-2	**ENTERPRISE SOFTWARE-AS-A-SERVICE (SAAS) SUBSCRIPTION...** *Globex Cloud Solutions LLC / Target Technologies Corp*	Obtain formal waiver/consent prior to Closing or secure closing condition in Acquisition Agreement. CP-3	**EXCLUSIVE COMMERCIAL DISTRIBUTION AND CHANNEL AGREEMENT** *Apex Logistics & Supply International Inc. ("Distributor") / Target Technologies Corp*	DEAL STRUCTURING PRIORITY: (1) Mandatory closing waiver or contract amendment carving out Buyer and Buyer's pre-existing affiliates; (2) Alternatively, isolate Target in a remote corporate subsidiary ring-fence.	HIGH-SEVERITY CONTAMINATION RISK: Restrictive covenant / non-compete explicitly binds Target's 'current or future Affiliates and parent entities'. Following closing, Buyer and its existing subsidiaries would become 'Affiliates' and could be legally prohibited from distributing competing products in the Territory!

("Distributor") / Target Technologies Corp*	Obtain formal waiver/consent prior to Closing or secure closing condition in Acquisition Agreement.	Change of Control requires counterparty consent.
